MAKE-UP

PUI PUI

Chic and luxurious, with a tough edge. Pui Pui is make-up with charisma! Pui Pui make-up stands out because of its high-quality Italian properties combined with its chic appearance. A true eye catcher! Pui Pui is professional wick can be used for any occasion.

The Pui Pui assortment consists of a very complete range of products, a base for beautiful make-up and sufficient colour accents to give it a personal touch. Classy, powerful, mysterious, glamorous or natural. The right look for every season! Pui Pui will introduce trend products to ensure you can keep up with seasonal styles.

Pui Pui. Highlights beauty!

MAKE-UP

Pui Pui make-up possesses high-quality Italian properties and consists of a very varied range. All Pui Pui products are dermatologically tested, which means that they are suitable for all skin types. Pui Pui make-up is rich in vitamins A and E, which nourish, hydrate and revitalise the skin in a natural way. The Pui Pui range also includes a number of mineral-based make-up products.

Mineral-based make-up gives colour enhancement but also contains skin care. It allows the skin to breathe whilst at the same time protects it against external influences. Mineral-based make-up is particularly suitable for sensitive skin types.

Ref. 25201

FACE PRIMER

Pui Pui Face Primer forms the perfect base for make-up! The fluid primer makes the skin beautifully smooth and even. It fills fine lines whilst at the same time ensuring that the foundation bonds effectively. Pui Pui Face Primer is silky soft and blends with the skin, resulting in a soft and even complexion.

EYE PRIMER

For a long-lasting effect, eye make-up also requires a good base. Pui Pui Eye Primer is an ideal product to prepare the eyes for make-up. It minimises blemishes and optimises the colour of the eyeshadow. The eye primer is very light, bright and soft in texture with a velvet feel. It makes the colour smoother and last longer for a more intense and striking look!

Tip:

Also suitable as a lip primer for a long-lasting finish!

Ref. 25202

COVER SKIN CONCEALER

Cover Skin Concealer blends with the colour of the skin, softening lines and camouflaging skin imperfections. It is a very rich and silky cream perfect to cover wrinkles, blemishes or dark spots. Cover Skin Concealer improves the skin condition, evens out the skin tone and provides exceptional coverage.

The texture is enhanced with anti-ageing and anti-radical ingredients, as well as UV sun filters to protect the skin.

Cover Skin Concealer, for a luminous, even and natural skin tone, lasting all day.

CC CREAM COLOUR CORRECTION

CC Cream Colour Correction is a very light and soft foundation that combines the properties of an effective comfortable foundation with a nourishing anti-ageing cream. It blends with the skin tone, resulting in an even, natural coverage with a subtle sheen.

CC Cream is a pure, natural-based formula. It contains active ingredients that hydrate the skin, reduce fine lines and wrinkles, improve the skin's elasticity and delay skin ageing. Foundation and anti-ageing cream in one!

CC Cream Colour Correction is suitable for all skin types and especially for skin which is showing the first signs of ageing.

Ref. 25301

STAY REAL FOUNDATION

Stay Real Foundation is a light, liquid foundation that provides exceptional coverage and last perfectly all day long. Imperfections are camouflaged, whilst the skin retains its natural appearance. The soft texture is enriched with vitamin E with anti-ageing properties and protective UV sun filters. Stay Real Foundation has a hydrating effect, leaving the skin elastic and smooth.

STAY REAL BRONZING POWDER

Stay Real Bronzing Powder is made from micronized powders, for a sophisticated silkness on the skin. Skin tones look more rested en energetic with a touch of Stay Real Bronzing Powder. The texture is soft and full, perfect for giving the face a sun-kissed look!

STAY REAL COMPACT POWDER

Stay Real Compact Powder is characterized by its great softness and transparency. It minimises blemishes and provides exceptional coverage with a mattifying effect and a silky soft appearance. Stay Real Compact Powder has excellent adhesion to the skin and is very light, resulting in a natural and sophisticated look.

PRECISION DEFINER PENCIL

The Precision Definer Pencil can be used to hide little imperfections. Furthermore, the pencil is perfect to shape and highlight features in the face. The pencil application makes it easy to work precisely and cover blemishes. Use the Precision Definer Pencil for a quick touch-up!

Ref. 25910

Tip:

Apply the Precision Definer Pencil on the cupid's bow to create the illusion of bigger lips!

MINERAL-BASED MAKE-UP

Pui Pui also offers mineral-based make-up that is particularly suitable for the sensitive skin or after cosmetic surgery. Mineral-based make-up gives colour enhancement and also contains skin care.

All mineral make-up gives the skin a luminous finish and contains active ingredients for natural UV protection. It is extra enriched with vitamins A and E for skin protection. It also stimulates the skin to revitalize itself, activates the microcirculation and revives the skin radiance.

Tip:

Mineral-based make-up is also ideal after intensive cosmetic treatments

RADIANCE MINERAL FOUNDATION

Radiance Mineral Foundation is a soft and light foundation that gives the skin a silky soft feeling. It provides long-term coverage without dehydrating the skin. Blemishes disappear into the background and the skin looks healthy and luminous.

Ref. 25021 Ref. 25022 Ref. 25023 Ref. 25024

RADIANCE MINERAL BRONZING POWDER

For a glamorous touch with a subtle shimmer, Radiance Mineral Bronzing Powder 'Golden Christalli' is the perfect choice! It brings a natural luminosity to the face and protects and nourishes the skin for a energetic appearance and high vitality.

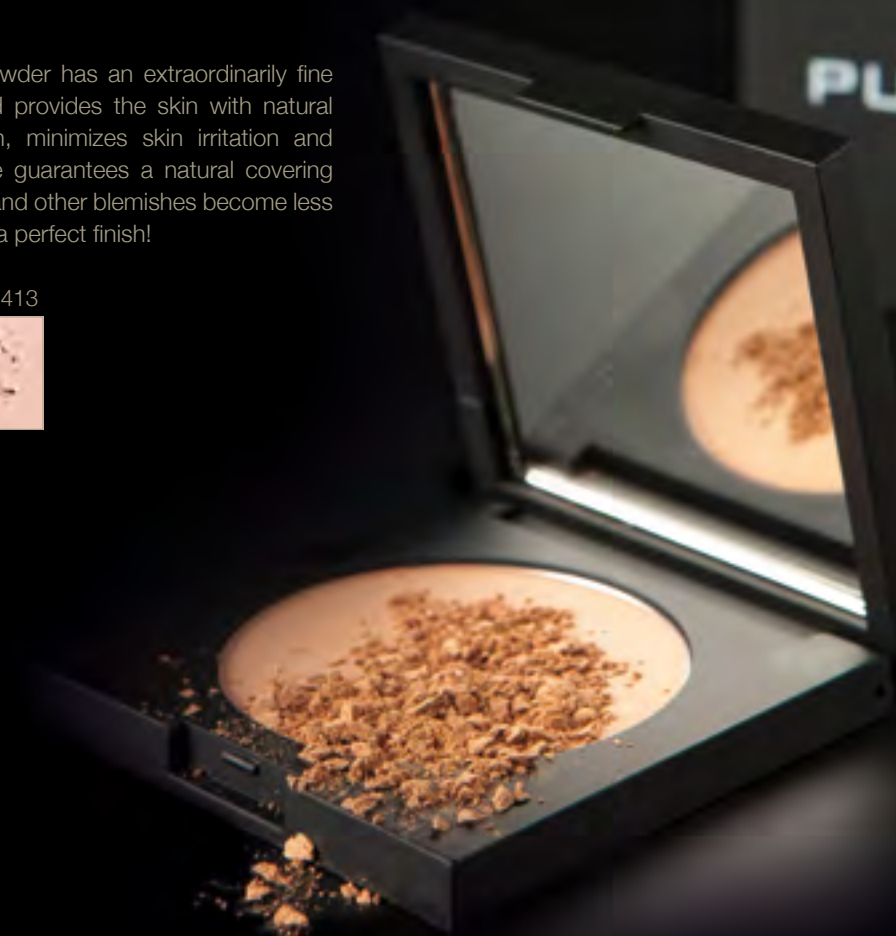

Ref. 25811

RADIANCE MINERAL COMPACT POWDER

Radiance Mineral Compact Powder has an extraordinarily fine texture. It is light and airy and provides the skin with natural coverage. It mattifies the skin, minimizes skin irritation and redness and at the same time guarantees a natural covering effect whilst fine lines, wrinkles and other blemishes become less noticeable. For a silky skin and a perfect finish!
